Rensselaer Faculty Learning Luncheon

Share your innovative classroom practices, and hear about exciting ideas and methods that have been implemented around campus. This celebration of innovation will help us better understand pedagogical practices already in place, and assist us in planning new Teaching and Learning workshops for future semesters. Tell us what you are doing, or what you would like to see. Enjoy lunch on us!

This workshop will be held on Thursday, April 28th from 12:00 pm - 1:15 pm in RU 2424 (Patroon).

For more information and to register, click the following link: Faculty Learning Luncheon.

Please register by Tuesday, April 19th. Space is limited.
