Are you interested in what words students use to describe your teaching style separated by gender?

Ben Schmidt created an interactive graph that lets you look up words that students used in reviews to describe teachers by gender. The graph uses about 14 million reviews from students. Here is a link to the interactive graph:

http://tinyurl.com/genlanguage.

Words to Try on the Graph

⇒ Organized
⇒ Knowledgeable
⇒ Creative
⇒ Helpful
⇒ Approachable
⇒ Effective
⇒ Efficient
⇒ Listener
⇒ Innovative

In addition, below is a link to an article that goes into detail about the chart and its implications.
