

FOCUS 2

Cheat Sheet

Brainstorming

Use the Career Readiness tools to put down your ideas. What are your strengths? What are your short term or long term goals? Am I able to answer these questions yet?

Self Assessments

Use these 5 assessments to gain a better insight of majors & careers that may be of interest to you based on different things like:

- Your Personality
- Your Skills
- Your Values
- Your Free Time
- Responsibilities of a Certain Job

Jump Right In & Explore!

You may already have decided on a major, but you may not be sure what you can do with it. There's an app for that! Use the **“What Can I do with a Major in....?”** to see different job titles associated with your major.

If you already know the career you want after college, but you aren't sure of the path to take to get there, use the **“Search by Occupation”** option to see the major & amount of education needed to get there! Plus get more information on the job itself.

You can also use FOCUS 2 for links to different Job Boards to see job & internship opportunities.
