### **Journals - Control**

AIChE Journal

American Control Conference (ACC) Proceedings (yearly)

ASME Journal of Dynamic Systems, Measurement and Control

Automatica (IFAC)

Canadian Journal of Chemical Engineering

Chemical Engineering Communications

Chemical Engineering Research and Design

Chemical Engineering Science

Computers and Chemical Engineering

Conference on Decision and Control (CDC) Proceedings (yearly)

Control Engineering Practice (IFAC)

Control Systems Magazine (IEEE)

Industrial and Engineering Chemistry Research (I&EC Research)

IEEE Transactions on Automatic Control

IEEE Transactions on Control System Technology

International Federation of Automatic Control (IFAC) Proceedings

International Journal of Control

International Journal of Systems Sciences

Journal of Process Control

Proceedings of the IEE

SIAM Journal on Control and Optimization

The following conference proceedings and magazines often provide interesting applied process control problems and solutions.

Advances in Instrumentation and Control (ISA Annual Conference)

Chemical Engineering Magazine (McGraw Hill)

Chemical Engineering Progress

Control Systems Magazine (IEEE)

Hydrocarbon Processing (petroleum refining and bulk organic chemicals)

Instrumentation Technology (InTech, an instrumentation industry magazine)

ISA (Instrument Society of America) Transactions

TAPPI Journal (pulp and paper industry)
