SEVIS

The Student and Exchange Visitor Information System, or SEVIS, is a database used by the United States government to collect and monitor information about all international students and scholars who are admitted to the country on F, M or J visas. The information collected by SEVIS is an important part of your visa application.

A fee will be charged in order for your SEVIS information to be processed once you have provided all the information required.

You must pay the SEVIS fee at least three business days before your appointment at the U.S. Consulate or Embassy. (Business days are Monday to Friday inclusive.) You must bring proof of payment of the SEVIS fee with you to your appointment or your application will not proceed.

Canadian citizens do not need a visa stamp to enter the US but must pay the SEVIS fee and present proof of this payment to the immigration inspector.

More information is available on the ISSS website, which may be found at this web address:

http://doso.rpi.edu/update.do?catcenterkey=11

You may pay the SEVIS fee online:

APPLYING FOR A VISAA

INTRODUCTION
All foreign students (except Canadians) must obtain a passport and visa stamp to enter the United States. Student visas are issued in two categories, F-1 and J-1.

You must apply for your visa stamp at the U.S. Consulate or Embassy in your home country. For more information, please visit the website of your nearest U.S. Consulate or Embassy, which you can find at

http://usembassy.state.gov/

If you have been accepted by more than one school, do not apply for a visa stamp until you have decided which school you will attend.

CANADIAN CITIZENS
Although a passport is required, a visa stamp is not required for Canadian citizens coming directly from Canada to study in the U.S. Upon entry, Canadians need only present their form I-20 or DS-2019 to the immigration inspector, along with evidence of financial support and proof of payment for the SEVIS I-901 fee.

APPLYING FOR A VISAA
First, review the documents provided and ensure that all of the information is correct. The name on the form you have received must match your name as it appears in your passport. If there is an error, please contact the ISSS Office by email at ISSSOffice@rpi.edu immediately so that the information may be corrected and the form reissued if necessary.

If you have received form I-20:

You are eligible to apply for a F-1 visa.

To obtain your visa, you must present to the U.S. Consulate or Embassy the following:

- Form I-20
- Acceptance letter from Rensselaer
- Valid passport
- Proof of payment for the SEVIS I-901 fee
- Proof of sufficient financial support for the entire course of study

If you have received form DS-2019:

You are eligible to apply for a J-1 visa.

You must be sponsored by an authorized Exchange Visitor program.

To obtain your visa, you must present to the U.S. Consulate or Embassy the following:

- Form DS-2019 issued by your sponsor
- Acceptance letter from Rensselaer
- Valid passport
- Proof of payment for the SEVIS I-901 fee
- Proof of sufficient financial support
APPLYING FOR A VISAC

TRANSFER STUDENTS
If you are a foreign student transferring directly to Rensselaer from another educational institution in the U.S., consult your foreign student advisor at your current school for instructions on the transfer process. Transferring applies even if you are graduating from one school and continuing to another school.

IF YOUR I-20 OR DS-2019 FAILS TO ARRIVE IN TIME TO SECURE A VISASTAMP
♦ You should obtain a B-2 “Prospective Student” visa stamp (not a B-2 “Visitor” visa stamp) from the U.S. Consul in your country.

♦ Be sure that the Consul writes “prospective student to attend Rensselaer” in your passport.

♦ You must apply for a change when you arrive. If you have an assistantship, you will not be able to start it until you have obtained a change to F-1 or J-1 status.

IF YOUR VISA STAMP APPLICATION IS DENIED
♦ You should request a written reason for the denial. You can re-apply if denied, but you should have new or updated evidence that convinces the officer the first denial was wrong.

IMPORTANT
♦ You must attend the school whose form I-20 or DS-2019 you used to enter the U.S.

♦ An F-1 visa requires full-time study. Spouses and dependents of F-1 students need an F-2 visa to enter the country. Each dependent must have their own Form I-20 to obtain a visa stamp.

♦ A J-1 visa requires full-time study. Spouses and dependents of J-1 students need a J-2 visa to enter the country. Each dependent must have their own Form DS-2019 to obtain a visa stamp.

♦ F-1 and J-1 students may enter the U.S. up to (but no more than) 30 days prior to the start date as noted on your form I-20 or DS-2019.

♦ Applicants need to be aware that certain disciplines are considered “sensitive” by the State Department. If your area of study or research is considered “sensitive,” you may be subject to additional procedures during the visa application process.
HEALTH SERVICES

HEALTH INSURANCE

Students on a F-1 visa

All F-1 international students must purchase Rensselaer’s health insurance unless you can prove that comparable health insurance coverage from your home country matches Rensselaer’s insurance. If you have equivalent coverage, Rensselaer’s insurance fee may be waived, but you will be required to pay the health service fee.

Students on a J-1 visa

All J-1 students must purchase Rensselaer’s health Insurance unless you can prove that comparable health insurance coverage from your home country matches Rensselaer’s insurance. Current U.S. regulations require all individuals in J status to carry health insurance meeting certain minimum levels. These include:

- Medical benefits: $50,000 per accident or illness
- Repatriation: $7,500
- Medical Evacuation: $10,000
- Deductibles: not to exceed $500 per accident or illness

FAILURE TO MAINTAIN ADEQUATE MEDICAL INSURANCE FOR YOURSELF OR YOUR DEPENDENTS WHILE IN THE U.S. WILL CAUSE YOUR PROGRAM TO BE IMMEDIATELY TERMINATED.

Mandatory health service fee

All Rensselaer students pay a mandatory health service fee of approximately $285.00 per semester. The fee covers all visits to the Student Health Center, including the Counseling Center and Health Education, as well as lab tests performed on premises, such as throat cultures. However, there are additional charges for immunizations, splints, and copying medical records. All registered students are eligible to use the Student Health Center. The Health Service fee covers these visits.
**HEALTH SERVICES**

**IMMUNIZATIONS**
New York State law requires all students to provide the Student Health Center with physician certified evidence of immunity to various diseases. Rensselaer is required by the provisions of this law to refuse to allow you to continue in attendance if you have not supplied this evidence. For information on required immunizations, call the Student Health Center at (518) 276-6287 or visit http://studenthealth.rpi.edu/.

Students, please be sure to review the immunization form with your doctor and make sure that all your shots are current. If they are not current, you will have to pay for the shot in the U.S. and they are expensive. Try and get this done before you leave your home country.

**HEALTH FORMS**
Please take time to read this section carefully.

1. You must submit your medical forms to the Student Health Center by registering for the Student Health Center Portal. Please follow the steps outlined below:
   a. Go to our website: http://studenthealth.rpi.edu/

Housing & Accommodation

On-Campus Housing
On-campus housing is coordinated through the Residence Life Office at Rensselaer. You should have received information regarding on campus housing with your acceptance packet from the Office of Admissions. On-campus housing is assigned on a space-available basis and is not guaranteed, except to first and second year students.

Rensselaer encourages international students to reside on campus for your first year to help you become accustomed to American culture and learn about the services that are available both on and off campus.

Benefits of living on campus include:
♦ Convenient access to academic facilities.
♦ All rooms are furnished.
♦ Utilities are included (heat, electricity, water, internet service, television and phone).
♦ Close proximity to athletic and recreational facilities.
♦ There is no deposit required and room charges will be included in your Rensselaer student bill.

Should you decide to live in on-campus housing, once you sign our Rensselaer Housing Contract with Residence Life, you are committed to that living space for the entire academic year. You must honor your housing contract even if the space is different from what you expected or is more expensive.

Residence Halls are open for all students to move in on Friday, August 22, 2014 at 12:00 PM. If you plan on arriving before August 22, 2014, you will have to contact Residence Life to see if any arrangements can be made for you to move into your Residence Hall early. Otherwise, you will need to make a reservation at a local hotel until you can move in.

For more information regarding on-campus housing, see:

http://reslife.rpi.edu/setup.do
Off-Campus Housing

If you intend to live off-campus, you should arrive by mid-August. For help in finding off-campus accommodations you may also need the help of friends or other students from your home country. Below is the link to the Off-campus housing web site:

In you need additional help you can email the Off-campus Associate Dean Mr. Cary Dresher at dreshe@rpi.edu. You should also be prepared to pay a deposit and perhaps buy or rent furniture and household items. We strongly urge you not to sign any lease or contract for off-campus housing unless you fully understand the terms of the lease. Leases or contracts cannot be broken without financial loss to you. An RPI lawyer is available to review your lease free of charge. Please consult with the ISSS office before you commit to a lease so that we can tell you how to contact the lawyer.

The Students’ Union maintains listings of many current opportunities for off-campus accommodations. It is available online here:
http://housing.union.rpi.edu/

City Station

Family housing is available off-campus for married students or guardians of children. The demand for space is quite high and there is a waiting list.

PRE-DEPARTURE PLANNING

TRAVEL ARRANGEMENTS
Once you have paid your SEVIS I-901 Fee, applied for your Visa Stamp, submitted your health forms and made arrangements for housing, you will need to make travel arrangements. YOU are responsible for making these travel arrangements. You should make these travel arrangements well in advance to find the most affordable prices.

You may need to contact a travel agent or the travel company through which you are travelling. The following websites may also be helpful:

ARRIVAL ITINERARY
Once you have made proper travel arrangements you must complete and return the Arrival Itinerary form, which you have received with this booklet. You may submit this form by email or fax to:

ISSSOffice@rpi.edu (518)-276-4839

This form must be received at least two weeks prior to your arrival in the United States.

If you have any questions or concerns about completing this form, please contact the ISSS office at the above address.

SHIPPING ITEMS OR BELONGINGS TO THE U.S.
If you must ship unaccompanied baggage, we strongly recommend that you contract with an agent who has a corresponding agent in the U.S. who will check the baggage through customs and ship it to Troy. Insure all your shipments for ‘all risk’ coverage. To ensure that your packages go through customs without unnecessary expense or delay, obtain a copy of United States Customs Hints for Visitors from a U.S. Consular Office.

The ISSS Office will accept your mail (letters only) until you establish a local address. Your mail should be addressed to:

PRE-DEPARTURE PLANNING

Paying Bills
Rensselaer Polytechnic Institute has partnered with peerTransfer to save you money on your international student payments.

The benefits of paying through peerTransfer

- Eliminate hidden bank fees – ensure Rensselaer Polytechnic Institute receives the correct amount.
- Save on exchange rates – in most cases you can make a payment in your home currency.
- Peace of mind – payment tracking and 24×7 multilingual customer support.

To get started with this program go to: rpi.peertransfer.com

INTERNATIONAL FINANCE

Often, banks and credit card companies deactivate your cards when they see suspicious charges. Make sure to inform them that you are planning to travel outside of the country and the length of your travel.

If you do not have a bank account with a bank that is international, it is important to inquire as to what the fees are for withdrawing money in the United States. Also, be sure to find out what conversion fees, if any, are involved. Many credit card companies often charge “Foreign Transaction Fees” or “International Transaction Fees.” It is important to inquire about these fees prior to leaving to avoid large charges for using a credit card.

As a precaution, we recommend you have easy access to enough money to last about a month. If you are being financed by your home country or another source that is not personal funds, the deposit time can be lengthy. You do not want to be without any funding in your first month here, because that is when you will most likely be spending the most money.

Upon arrival, you will need to use cash for a variety of important things such as taxi transportation. It is important that you have US currency available for these transactions. Having smaller bills (5 and 10 dollar bills) can also be helpful in such situations. Money is often given in large units, such as $20 bills. When exchanging money, be sure to ask for some smaller bills, such as $5 and $10 bills.
PRE-DEPARTURE PLANNING

BANKING
There are many banks in the Troy area, including Bank of America and First Niagara. There are also two ATMs around campus. International students are welcome to open bank accounts in the United States. In order to open a bank account, you must provide to the bank:

1. Proof of your local address
2. Phone Number
3. Your passport
4. Rensselaer I.D. Card (You will receive it upon arrival)

Please note that many banks charge fees for the transfer of funds. They are often based on how much money you are transferring and are usually charged each time you transfer money.
ARRIVING IN THE UNITED STATES

BEFORE YOU TRAVEL...

♦ Make sure you have not packed your I-20 or DS2019 documents in your checked baggage, as you will need them at U.S. Immigration.

♦ You may also be asked for proof of financial support, so this should also be in your hand luggage.

I-94

• FORM I-94 IS NO LONGER GIVEN WHEN ENTERING THE US

The form I-94, “Arrival/Departure Record” was a Department of Homeland Security (DHS) Document issued to nonimmigrant aliens at the time of lawful entry to the United States at an air or sea port of entry. The Form I-94 was evidence of a nonimmigrant’s term of admission and used to document legal status in the United States, including length of stay and departure.

With the new automated Form I-94, the CBP (United States Customs and Border Patrol) Officer will create an electronic automated arrival Form I-94 during the admissions process for nonimmigrants entering the United States at an air or sea port, with information already available in various law enforcement databases.

• ARRIVAL

Upon arrival at the U.S. port of entry (airport, etc.), immigration will ask you to present your DS-2019, and your passport. You may also be asked to show your proof of financial support. It is very important that you do not pack any of these items in your checked baggage.

The immigration officer will then stamp your passport with the date of your arrival, port of entry and your nonimmigrant status and return them to you. They should have marked your status as being D/S. D/S means Duration of Status.

Again, you will NOT be issued an I-94 card. If for any reason an office needs to see your “Admission (I-94) Number” you will have to print out an “Admission (I-94) Number retrieval sheet. This can be found at www.cbp.gov/I94.

Review your documents carefully at the immigration inspection station to make sure the correct information was marked. If there are, any errors ask for them to be corrected there. Corrections might not be possible once you leave the immigration inspection station.
GETTING TO RENSSELAER

GETTING TO ALBANY, NEW YORK
The easiest way to get to Rensselaer is to fly into Albany International Airport (airport code ALB). Direct flights are available to Albany from New York City, Boston, Chicago, Atlanta, Detroit, and Washington, DC. Easy connecting flights are available from every other U.S. gateway airport. The airport is approximately 20 minutes from Rensselaer Polytechnic Institute by taxi. Taxis are readily available outside of the airport terminal.

Reserve all of your flights at the same time. It is less expensive to reserve all of your flights at once than to purchase tickets when you arrive in the U.S. **Be sure to reconfirm all flights and reservations before leaving your home country.**

PREMIERE EXPRESS SHUTTLE SERVICE
There is a shuttle bus service that will bring you from La Guardia Airport in New York City to the Albany International Airport, from which you can take a taxi to campus. The company that operates this service is called **Premiere Express Shuttle Service.** Advance reservations are required. For more information on baggage requirements or to make a reservation, please contact Premiere at 1(800) 515-6123 or visit their website:

MEGABUS
Megabus (http://us.megabus.com) provides a low-cost bus services from New York City to the Albany-Rensselaer Train Station. It is a double-decker motorcoach bus that has free Wi-Fi and panoramic windows. Megabus is very popular and can book-up quickly, so we recommend that you purchase your ticket as soon as possible. The Megabus departures are located at 10th Ave between 40th and 41st St. in New York City.

Be aware that Megabus has strict rules for baggage:

Megabus.com will accept up to ONE (1) piece of luggage per passenger. This must not exceed 62 inches when adding the total exterior dimensions of the piece (length + width + height) and should not weigh more than 50 pounds. Passengers can also take on board ONE (1) small carry-on bag that will fit in the overhead storage compartments or under the seat. Please be advised that passengers wishing to travel with more luggage than specified above will have items refused.
GETTING TO RENSSELAER

AMTRAK

http://www.amtrak.com

Please note the following rules about baggage:

♦ Two-Piece Limit: Each ticketed passenger may check up to two pieces of luggage at no charge. Up to two additional pieces may be checked upon payment of $20.00 per piece.

♦ 50-Pound Limit: Each checked bag may weigh no more than 50 lbs. We will not accept heavier pieces.

♦ Size Limit: Each checked bag may not exceed 76-100 linear inches in seize. Linear inches (length + width +height).

♦ Check-In Time: Check all baggage at least 45 minutes prior to departure. Allow additional time at larger stations, during busy travel, if you have special items or also need to obtain tickets. Baggage checked less than 45 minutes prior to departure may be delayed.

TO RENSSELAER’S CAMPUS
Unfortunately, we are unable to provide transportation to the RPI campus. Once you arrive in Albany, we recommend you take a taxi to campus. A taxi from the Albany International Airport or the Rensselaer Train Station to Rensselaer costs about $35. Carry a few extra dollars to tip the driver for your baggage.

Always verify the total cost of your taxi before you go anywhere. If traveling in a group, make sure that you are not being overcharged for each additional person. We have had students in the past who have been overcharged by certain transportation services. Do not let this happen to you!

Have the taxi take you to the Public Safety Office on 15th Street. You may leave your luggage there while you check in with ISSS Office or Residence Life. If you arrive after office hours, it is advisable to have your taxi take you to any of the nearby hotels for the night.

HELPFUL HINTS

Do...

- Ensure that you have access to at least one month’s worth of money for initial expenses. You should also bring some smaller US currency for food and taxi services upon arrival.
- Seek advice from others who have visited the U.S. recently, or contact international students currently studying at Rensselaer, many of whom express their desire to help you as much as possible.
- Bring pictures of your home and family.
- Check in with the ISSS Office upon arrival.
- Mark all your bags with your name and Rensselaer’s address.

Do not...

- Bring electrical appliances. U.S. domestic voltage levels and outlets may not be compatible with those at home.
