Penny Wars Fundraiser for United Way 2012

United Way is an organization that provides health, education, incomes, and basic needs to the community by investing both time and money into various projects. United Way strives to not only lend a helping hand, but they also strive to create a sense of community and trust.

United Way opens so many doors for people of all ages, genders, races, sizes, and personalities. The opportunities given by this organization are life-altering for both the volunteer and the individual(s) being cared for. It’s time to give back. How can you (and everyone else on campus) help United Way in its plight for social reform? Participate in the upcoming Penny War!

When? Monday November 5th 2012 – Friday November 9th 2012
Where? 2nd Floor of The Student Union (11am-3pm) and Commons Dining Hall (3pm-7:30pm)
Grand Prize? Pizza, wings, salad, and soda will be provided for 40 people

To Register:

1. Form a team of up to 40 people to participate in the Penny Wars. Designate a team captain.
2. The team captain must contact extension 3098 or email smithc@rpi.edu and ask to be a part of the Penny Wars. The team captain must also provide a list of every member of his or her team.
3. At least one volunteer from each team must be available to work for up to two hours each day during the week of November 5th 2012 to November 9th 2012. Please choose your top three time slots below and email this information to smithc@rpi.edu, or drop it off in Academy Hall 4621. You will be asked to work up to two of those time slots, depending on how many people sign up.
4. You will be provided with a bucket for your team. The totals will be recorded daily and posted at the collection sites and online on the United Way website.

PENNY WARS RULES:

1. The goal is to get as many coins in your bucket as possible. Whichever team has the most change at the end of the week will win.
2. You are not allowed to physically take money from any of the buckets, including your own. However, you are allowed to put bills into an opponent’s bucket. Adding cash to an opponent’s bucket will serve as “negative change”. For example, putting a one dollar bill in an opponent’s bucket will take a dollar away from their total change at the end of the week.

Remember: You only want CHANGE in your own bucket, and BILLS in the other buckets! Good Luck!
