

# CHANGE FOR JAPAN

## RPI RELIEF: SUPPORT FOR JAPAN

Sponsored by the RPI American Red Cross Club

**Between March 22 and April 22, the RPI American Red Cross Club challenges Rensselaer's schools to see which school can raise the most money. Drop your loose change into the canisters in the DCC and the Union Lobby, and in the canister in each Department's Main Office! Bragging rights are on the line as to which school contributes the most per student!**

- + School of Engineering**
- + School of Science**
- + School of Humanities, Arts and Social Sciences**
- + Lally School of Management**
- + School of Architecture**

**All Donations go to the American Red Cross for the Japanese Red Cross Society.**

**The compassion the American people have demonstrated over the past week through their generous support to the American Red Cross is incredibly uplifting at a time when we are dealing with a such an immense humanitarian tragedy, said Satoshi Sugai, director, Disaster Relief for the Japanese Red Cross. "This financial support is very much needed and continues to be welcomed to help the hundreds of thousands of lives that will forever be changed by this disaster."**
