Raising Funds to Help Hurricane Sandy Victims!

“RPI Campus Concerts” Collectors Pint Glasses

1960's and 1970's (first 2 of a series) Reg. \$6.99 ea

Collectible pint glasses list the amazing concerts that occurred on campus during each decade!

Each year the Bookstore offers a specially designed mug or glassware at a reduced price for the annual holiday sale. Because of the Hurricane Sandy tragedy that has affected so many of our students, alumni, friends and relatives in N.Y., Conn. and N.J. we have decided to change our pricing for these limited edition collectible pint glasses ...

We will allow our customers to determine what price they are willing to pay for these glasses, and all of the sales revenue for these two glasses will be donated to the storm relief efforts, in the name of the RPI community.

So that as many people as possible can contribute to this cause, each customer will be allowed to purchase only 1 of each of these limited edition glasses.
