

BOOK DRIVES FOR BETTER LIVES™

Rensselaer Polytechnic Institute *Tutor Time*

is running a book drive on campus to raise funding for Tutor Time and the National Center for Family Literacy, and to reduce our environmental impact.

Tutor Time is a pre-college program sponsored by Rensselaer Polytechnic Institute's Dean of Students Office. It is part of the America Reads and America Counts program and is designed to help increase a child's self esteem and develop confidence and a continued desire to learn by providing a safe, encouraging environment in which they can learn. Each Saturday, RPI college students tutor children in grades PreK-9 in mathematics and reading at two locations in Troy on Saturdays.

Look for the green and white collection boxes at:

- COMMONS LOBBY
- UNION WEST LOBBY
- FOLSOM LIBRARY
- HEDLEY BUILDING

Drop off books through December 16

for more info, contact Samantha Mellema, melles@rpi.edu
