Rensselaer Polytechnic Institute is required by the IRS to furnish all employees with a Form W-2 by January 31st each calendar year to be used in completing the employees' annual tax returns. Historically, all employees have received paper copies of their W-2. The electronic W-2 has been available on the secure self service site for several years now, and contains W-2’s back to 1996. Many employees use the electronic W-2 and wish to have the paper W-2 eliminated to protect their personal information.

Beginning in January 2010 (W-2 for tax year 2009), instead of paper copies, Rensselaer employees may choose to receive their W-2 online ONLY, eliminating the paper W-2 printed in the Payroll Office. Please read this entire Notice and provide your consent to receive all future W-2 statements in electronic format only.

Benefits of Receiving Your W-2 in Electronic Form Only
There are multiple benefits to receiving an electronic Form W-2 versus a paper W-2:

- Earlier access to the Form W-2.
- Eliminates the possibility your Form W-2 might be lost, stolen, delayed or misplaced by the U.S mail service.
- Access is available at the same easy-to-use, secure web site at which you access your Payroll and HR information today.
- Security on the site (personally chosen PIN number), protects all information within the Employee and Student Self Service system.

Disclosure Notices
- If you consent to receive your W-2 online only (electronic W-2), you will not receive a paper W-2, if currently employed.
- If you consent and then subsequently are no longer an active employee you will receive a paper W-2 in the mail.
- If at any time you need a paper W-2 and you do not have access to Rensselaer’s Self Service system, the Payroll Office will print one for you upon your request.
- If you do not consent, you will continue to receive a paper W-2.

If you choose to receive only an electronic W-2, you can change your mind and withdraw consent at any time. If consent is withdrawn, it will only be effective for those W-2 statements not yet issued. Consent may be withdrawn by signing on to the self service site and removing the consent.

You should be aware that the W-2, even when provided electronically, must be attached to your annual tax return. If the W-2 is only provided electronically, you should print the W-2 and attach it to your tax return documents.

This is a quick and easy way to protect your personal information!
