

CONFLICT OF INTEREST QUESTIONNAIRE

TO BE COMPLETED BY:

- 1. PRINCIPAL INVESTIGATOR**
- 2. ALL CO-PRINCIPAL INVESTIGATORS AND**
- 3. ALL OTHER PROJECT PARTICIPANTS WHO HAVE RESPONSIBILITY FOR THE DESIGN, CONDUCT OR REPORTING OF THE RESEARCH PROJECT**

Do you, your spouse, or dependent children have any Financial Interest(s) that may be related to, or could be affected by, the proposed research project or the research results?

Financial Interest(s) include any financial interest in an entity sponsoring or otherwise affected by the research project and includes those entities in which you, your spouse or dependent children either: (i) expects to receive anything of monetary value, including income, royalties, salary or other payment for services, during the next twelve month period; or (ii) holds an equity interest which, when aggregated for you, your spouse and dependent children, **either** exceeds \$10,000 in value as determined through reference to public prices or other reasonable measures of fair market value **or** represents more than a five percent (5%) ownership interest.

Financial Interest(s) may be related to, or could be affected by, the proposed research project if they: (i) are in the sponsor of the research (even if unrelated to the research being proposed); or (iii) are in another entity that could be affected in any manner by the research project or the research results.

Yes

No

If **Yes**, please describe below, identifying the entity in which you have a Financial Interest, the details of such Financial Interest, and the details of how such Financial Interest is related to, or could be affected by the proposed research project or the research results. Attach additional documentation if necessary.
