		Biosafety	Status:	Pending	Approved	Date:
		Subject to Export Control (EAR, ITAR, OFAC, etc.)				

Conflict of Interest (check Yes or No below):

Yes No **Do you, any Co-PI, or any other personnel who have responsibility for the design, conduct or reporting of the project (or his/her spouse or dependent children) have a financial interest that would reasonably appear to be related to, or affected by, the proposed research project, or the research results?**

If yes, all persons with such a financial interest must fill in a [Conflict of Interest Questionnaire](#) and submit it, along with any supporting documentation, with this Project Information Form.

PI Certification – Please check the box below and insert your name and the date to certify

PI certifies that all statements contained above regarding the project including the scope of work and budget, are true and accurate to the best of the PI's knowledge and do not infringe on the proprietary rights of others. Neither the PI nor any key personnel on this project are, to the best of their knowledge, debarred, suspended or proposed for debarment by any Federal department or agency. PI also agrees to accept responsibility for the scientific conduct of the project and provide the required progress reports if a grant is awarded as a result of their application as well as all other required reports. Any false, fictitious, or fraudulent statements or claims may subject the PI to criminal, civil, or administrative penalties. All work to be done under this project shall be subject to the terms of all rules and regulations of the Institute and the sponsoring agency.
