

Official Resolution of the 36th Student Senate
RENSELAER POLYTECHNIC INSTITUTE

SEPTEMBER 7, 2005

GULF COAST RELIEF RESOLUTION

The Student Senate, recognizing the devastation caused by Hurricane Katrina to the Gulf Coast region of the United States of America, calls upon the student body of Rensselaer Polytechnic Institute to support the relief effort.

The administration of Rensselaer Polytechnic Institute has pledged the amount of \$35,000 to the Gulf Coast Relief Effort.

The Student Senate, realizing the severity of the situation and the enormous amount of relief needed, challenges the student body to exceed the contributions made by the administration.

In an act of good faith, each student senator has contributed \$10 to the relief effort. We pledge to support the efforts of any Rensselaer student run organization, to the best of our ability, in an effort to reach this goal.
