The College Suites Management Office is located at 1521 6th Avenue in downtown Troy.

Housing Fee

All payments are your responsibility and/or the responsibility of your parent/legal guardian and not that of the College Suites at City Station.

*Occupancy is exclusive to Rensselaer graduate students, co-terminal students, graduate-level-equivalent exchange students, post-doctoral fellows, and visiting scholars. First-year graduate students are given first priority for occupancy. For City Station South, you must be a married student or student with a family. Students in the midst of a geographic or academic transition who are in critical need of housing may also apply. In all cases, full time status and good academic and disciplinary standing is required. Decisions on eligibility for Rensselaer affiliated applicants are made jointly by College Suites at City Station and the Office of Graduate Education at Rensselaer and are final.

*Based on 2013-2014 rates
I have lived at City Station in a 3-person apartment since it opened in August of 2011, and without any hesitation renewed my lease until 2013, when I graduate from RPI. I can honestly say that I feel very fortunate to live here. I’ve also been enormously pleased with the rooms and all of the amenities, and I can tell that the designers of City Station paid close attention to details that make living here more convenient and comfortable.
