Rensselaer's Division of Human Resources is pleased to announce a School Community Tuition partnership with the Emma Willard School. Emma Willard School has been one of the nation's leading college preparatory boarding and day schools for young women. Known for its rigor, the school promotes intellectual curiosity and disciplined study habits through a challenging curriculum distinguished by a wide array of advanced placement courses and electives. It also promotes active involvement in the life of the campus and off-campus communities through a rich co-curricular program. The school's extraordinary physical plant is listed on the National Register of Historic Places and provides a breathtakingly beautiful yet state-of-the-art setting for learning and living. Throughout its history, Emma Willard has been committed to enrolling a diverse student body from across the Capital Region, across the country, and around the world. This commitment is honored by significant expenditures in financial aid to assist families who might not otherwise have the opportunity to provide an extraordinary secondary education for their daughters.

This School Community Tuition partnership will provide Rensselaer's full time faculty and staff a day student tuition rate of 50% of the current day student rate of \$26,000 for those admitted for September 2009.
