### **Scope and Content Note**

This collection contains a variety of materials documenting athletic teams at Rensselaer. While most of the records pertain to varsity athletics, there is also a smattering of materials related to intramural and club sports.

#### *Series I: General Information*

This series includes miscellaneous items that typically pertain to multiple sports, such as seasonal schedules, lists of team captains, etc.

#### *Series II: Co-Ed Sports*

Several men's and women's teams within the same sport share schedules, so they tend to be documented together. This series includes programs for men's and women's swimming & diving and track & field teams.

#### *Series III: Women's Sports*

Since the 1970s, when females constituted only a small fraction of the student body, women's sports have grown to eleven varsity teams, including a Division 1 hockey program. Series III contains news clippings, programs, media guides, and related materials for women's basketball, ice hockey, lacrosse, and softball.

#### *Series IV: Men's Sports*

By far the largest series, men's sports include baseball, basketball, football, golf, hockey, lacrosse, soccer, swimming, table tennis, tennis, and wrestling. Materials include programs, media guides, news clippings, tickets and ticket information, schedules, rosters, newsletters, posters, and miscellany.
