

Astrophysics Seminars — ASTR-4900 & ASTR-6900
Spring, 2009
General Information

Instructor Prof. Wayne G. Roberge
JRSC Room 1C36, Tel. 276-6454, roberw@rpi.edu

Office Hours Tuesday and Wednesday, 2:00-3:00, in JRSC 1C36.

Class Meetings Thurs., 4:00–4:50. See Class Hour Schedule for location.

Attendance Attendance and participation in all seminars is required and will be recorded.

Prerequisite ASTR-4900: Junior or higher standing (no exceptions).
ASTR-6900: Graduate student standing.

Topic Topics may be chosen from any branch of astronomy but must be approved by WGR no later than two weeks before your seminar. If you miss this deadline, you will not be allowed to give a talk!

Grading The course grade will be determined as follows:

Weight	Criteria
10%	Title approved and paper announced on time
20%	Attendance
30%	Understanding of paper(s)
40%	Quality of presentation/discussion
