Donations are now being accepted at the RPIEFUCU for Andy & Christine Lewis

Andy, Christine, and other family members (9 in all) were left homeless by a fire that started on 2/16 at their home on 1107 Jacob Street and spread to 1109 Jacob Street, just a few blocks from campus. Andy and Christine both work on campus for the Environmental Services Department.

The RPIEFUCU has established a fund called the ***Lewis Fire Fund*** for all monetary donations. You can send your donations directly to the credit union in West Hall or you may also transfer funds from your personal RPIEFUCU savings account directly into the Lewis Fire Fund at 518-276-6591.

Any clothing donations can be dropped off directly at the H-Building. All contributions will be greatly appreciated.

THANK YOU!
