

May 13, 2009

Dear Parents,

**HEATLY
ELEMENTARY**

On June 19, 2009 grades 2-6 only will be having their end of year field trip sponsored by the Heatly elementary PTO. This year, the students will be having 6 Flags of fun, visiting the Great Escape! PTO will pay for each student's entrance in to the park, while chaperones only pay \$14.

M e m o

Because Great Escape does not allow food to be brought in to the park, a buffet lunch will be served for only \$8 per person. Buffet lunch will include hotdogs, hamburgers, salads, fountain drinks and ice cream for dessert.

PTO recognizes that many families have season passes to the Great Escape. If you choose to have your child use his or her season pass, PTO will eat the cost of that student's buffet lunch ☺.

Please return the permission slip below your child's teacher and include payment; due no later than June 1st, 2009. If you have any questions, please contact one of the officers listed below.

Thank you!
PTO Officers

I give my permission for my child _____ to attend the end of year field trip to Great Escape sponsored by the Heatly PTO.

Complete this section if your child has a 6 Flags Season Pass:

My child has a season pass and will be using it on the 19th of June to attend the end of year field trip. I understand that by using the season pass, PTO will pay for my child's buffet lunch.

Please check one:

- I (or an adult family member) would like to chaperone my child's class, payment for ticket is enclosed.
- I (or an adult family member) would like to chaperone my child's class, and will be using a season pass to enter The Great Escape.
- I am not able to chaperone my child's class. (No additional tickets may be purchased)

Please complete:

_____ Grade 2-6 Student Ticket to the Great Escape (if using 6 Flags Season Pass, please enter 0)	<u>Free</u>
_____ Chaperone Ticket to the Great Escape @ \$14.00 ea.	\$ _____
_____ Buffet Lunch @ \$8 per person	\$ _____
_____ Free Student buffet lunch (only if 6 Flags Season Pass is used)	\$ _____
Total Enclosed	\$ _____
