

Picture Retake Day
December 9th, 2008

If you are unhappy with the way your child's picture came out, new pictures can be taken and ordered on December 9th. Please return the entire original package except for the class picture. Replacements are free of charge as long as the old package is returned on December 9th.

If you did not order a package, please feel free to do so. New pictures need to be taken for new orders. Money must accompany the order. Flyers listing package choices are available to those who request it. Choices are also available on the school webpage.

Thank you!
