

Spaghetti Supper

**Benefit for the Catellier & Coughlin Families
American Legion Legnard Curtain Post
October 14, 2007**

As many of you may be aware (and some of you not so aware) there was a fire in Green Island on Sept. 10, 2007 that affected 2 of our Green Island families. The Catelliers (Lucia in 10th grade) and the Coughlins (Amanda in 7th) were the victims. Even though both families are safe and sound, they lost all personal possessions. Heatly Classes of 2010 and 2013 have decided to join forces to sponsor a spaghetti supper* benefit to assist these families in their time of need.

The benefit will be held on the 14th of October from 2-6PM. Not only will there be a spaghetti supper*, but there will also be raffles to add to the benefit!

Prepaid tickets are preferred. To order tickets through the school, please complete the below form. Send the completed form and \$8 for each adult dinner, and \$5 for each child dinner to:

Dan Mattoon - Heatly School 171 Hudson Ave. Green Island, NY 12183
