The Albany Soccer Club is a volunteer organization whose only reason for existence is our children. Our volunteers who hold coaching and administrative positions give their time and effort to ensure that each child can enjoy the game of soccer and benefit from being part of a team.

There are many volunteer opportunities available which require varying degrees of time, effort, enthusiasm and experience. Each parent who offers his or her time and effort to support the Albany Soccer Club sets an example of leadership, and sends a message to his or her child that soccer is not just a game, but rather a family-involved community organization.

We ask that you consider what talents and resources you have that would help our children and the Club. We also ask that you share any ideas or thoughts you have that would help us achieve our goal. If you have experience or interest in any of the following areas, please check.
